******* Don't forget the ingredients for any packages! *******
(such as: evaporated milk, eggs, chicken broth, etc....)

The list is only a guideline; feel free to supplement/substitute.
Also feel free to supplement with other non -Thanksgiving foods
such as breakfast cereal, fruit, bread, soup, etc.

We are requesting that the items be placed in boxes and the turkey be
placed in a large ziplock bag (to prevent leakage) to make delivery easier.

Each box should be labeled with some kind of identifier
(initials, symbol, etc.), the box number and the total number of boxes
(for example: 1 of 4, 2 of 4, 3 of 4 etc.). This helps us to ensure
each basket is delivered in its entirety to the recipient family.
